IteÁÁAs also used for entertainment, such as music videos, exercise videos and demonstration videos for DIY projects.Twitter and InstagramTwitter is another social media news source. The following on Twitter isnÁtÁÁt as large as on Facebook and YouTube, but social media is an evolving industry. Tweets give snippets of news information to Twitter followers, and links can be included to redirect the user to a more lengthy news story. Tweets can also be shared. Instagram is a picture-sharing social media platform that can be used to share news as well.Smartphone AppsSmartphone apps for social media and news sources are another way to get news when it first becomes available. The user clicks on an icon to be directed to the desired platform. Researchers have discovered that about half of the people in the U.S. obtain news on their smartphones. Smartphones can also be set up to receive breaking news alerts.Types of NewsThe types of news articles shared on social media vary. Entertainment, sports and community news rank high on the list, while government, politics, international news and crime stories are also popular news items. Weather, traffic and business news are also read and shared regularly. In recent times, readership has changed to the extent that many news sources are posting links to their articles directly on social media themselves.
